“ *Sorry if this is repeat, lost page.*

I have known Don & Billie as long as I can remember. When I think of him, I always see him with a smile. He and my parents, Bill & Helen Bentley were good friends. I have seen pictures where my Dad, Don & Jim Wisehart are standing with the fish they got after a fishing trip. I bet they laughed the whole time they were on the trips.. When I spent an evening with Don & Billie a few years ago Don showed me photos he had taken. I don't think he realized how talented he was.

*I don't remember anyone every saying anything bad about Don. He was a good guy & will be missed. My whole family, Dave, Cindi, Becky & Fred Bentley are very sorry Don is no longer with us.
