“ I met Donna through the IN General Assembly. What a kind, sweet and wonderful lady. And work, my did she work. There are many long days and nights while the Legislature is in session and Donna was always there, poised, calm and doing her job. She always had a smile and a friendly word for all of us she worked with during those years. My sympathy to the family, and may God comfort you in your loss of this delightful lady. May He fill your hearts and minds with fond memories of her that lighten your burden and bring a smile to your face.

“ *The news of Donna's passing is heartbreaking, but it brings back many wonderful memories. I worked closely with Donna at the House of Representatives in the late 1990s and early 2000s. She was everything you would want in a colleague and employee. Even in the pressure-cooker of stress during legislative sessions, Donna was calm, professional, friendly and kind. Always. I send my profound condolences to the extended Fulton family. I am sorry for the loss of this beautiful lady, and so sorry I cannot be at the service (I will be out of state for work, something I have no ability to change). Blessings to all.*
