“ I did Donna's taxes for several years. In December 2004 my 1st child was born. Being a tax preparer, I had to bring my one month old to the tax office. I held her in a little carrier while working away. Donna always remembered that and would love to see pictures of that little girl...now 13! Last tax season I had my 3rd child (During tax time! Feb. 5th) I thought of Donna as I brought my new little girl to my tax office. She was a sweet lady and I will miss her. Here is a picture of the newest (Hannah) with her big sister, the one Donna would always ask about (Abby) at the tax office last year.

“ *Diane, so sorry to hear about your mom's passing. I have so many happy memories of her. She was so much fun to be with, and I've thought of her often. There will never be another like her. She was a great listener and could make you feel better just being around her.. ( you probably don't remember me, but when your mom and I worked in Greenwood, you gave me one of your sweaters that I really liked. I may still have it! Ha). I will keep your family in my thoughts and prayers. Your mom was a terrific lady!*

“ I have lost one of the dearest friends I ever had. My life has changed forever with her passing. We had so many good times over the 46 years I knew her. So many wonderful memories. Rest in peace dear Donna. Even though we will miss her can you imagine the joy when she saw her Mother and Becky again. Love you my friend.

“ Don't be sad. I'm sure your mom is now happy wherever she is. Just hold on to her memories and try to smile as you reminisce your moments with your mom. When I think of Donna Carey I remember the fire red hair, the laughter and the just the way she said things about life, work and men. Always full of advice and had such a cleaver way of saying things. We worked together for many years and I will miss her. My heart goes out to the family..
