“ We are saddened to hear of the passing of Donna. We shared lots of "bleacher" time at the horse shows! I'm sure all of you will miss her terribly. We will keep all of you in our prayers. Thinking of you especially Ray... After 64 years! amazing, how awesome that you shared this many years together. Blessings to your whole family from ours...

“ Donna was a very special lady, she will be missed by her friends and by her family that love her so much. Donna is my sister in law . Every year at the family reunion she would always bring me a loaf of baked bread. I always looked forward for my homemade bread. Donna is a wonderful baker and cook. Always told her if I could cook like her maybe I wouldn't hate cooking so much! Which I do! I had just turned three when my brother married Donna. Even though we didn't see each other very often at all, there will always be a void in our hearts. Donna may god bless you and I know in my heart you will still be watching and guiding your family. ❤️❤️❤️
