“ Hi Uncle Ronald, I hope your kids are doing well and hope they are close during this time. Aunt Donna was so tender. She let you setup your race track on the ping pong table in the basement. I forget what house that was. I just remember going down there and putting the cars back on the track. Then going back around the table and go fast till dwe came to corner. Then we would go around the table and put the car back on the track then go back around pull the controller tight the car would go off the track and we would go around put car back on the track and the cycle would start again. Ecclesiastes 3 says there is a time for everything under the heavens. 82 is a lot of years and you get tired of fighting if you have to do it all the time. I'm sure Aunt Donna is in a better place and once you're there I hear you never want to come back. Much Grace & Mercy Love Kim
