“Doris is my Aunt. We spent many happy times together, I loved visiting her. When she and Marvin moved to Spencer In, on 40 acres of land we visited every week end. I could write a book on the good times we had. She is quite a gal and a Godly woman. I know she is happy with God in His presence. She deserves to be there.

“She "went the extra mile". When I was teaching at CCS and she cooked, I once mentioned that I preferred untoasted cheese with jelly sandwich rather than the toasted cheese sandwiches they often served for lunch. After that when I came through the line, there was always a cheese and jelly made especially for me. Prayers and sympathy to the family.

Sis. Liford was a great friend to both my deceased husband, Shirland, and myself. We had many great times of laughter and a memorable trip to St. Paul, MN for Jack's A.B.I. graduation. She was a very special lady. I loved her dearly. My condolences to Jack, Josephine, Jess, Janet's, Jamie and the rest of the family. I know you will miss her, but she will be "Shouting on the hills of glory". God be you all.

Widow of my favorite uncle Marvin who died at age 62, his funeral will always be indelible in my memory, I loved him so. Doris now has outlived him by 38 years, was a very strong woman, always asked me to play as she would sing, "Mansion on the Hilltop" now she's arrived there to occupy that mansion!

You will be missed, grandma. I'm so glad I got to see you in 2017 and again in 2019. With you being in Indiana and us in Texas, sometimes our visits were too far between. I will always remember the visits (sometimes 2 weeks in summer) at your house across from Calvary Church. You always made sure I had plenty to eat and sometimes you'd take me over to the church kitchen. One time you gave me a huge silver can of peanut butter to take home with me. You were always so loving and caring. I knew you loved me and you would always cry when it was time to say our goodbyes and prayer for God to grant us a safe trip home. I love you very much and I know your in a much better place!

What great memories of Doris I have from my childhood. She was a good friend of my mother, Audra Drury. They were buddies in the Calvary Choir. Spent many nights at her house. Always Lots of laughter and good times. Prayers for the family!
