“Doris was my grandma, I was her son Robert Schubert step daughter. I have wonderful memories of grandma Schubert always being there for me when I wanted to run away from home, or taking me for ice cream on my birthday. I was going through some old pictures and I came across old Christmas pictures and me playing at grandma house. I will miss her so much. She will be for always in my heart. Love always Susan (Susie Q) I now live in Sunrise Florida
