“ Dorothy, I so cherish the time we spent together with Floyd and all the other employees of Clody's. We had so much fun and laughs. I missed you when you moved from Greencastle to Indianapolis and we lost touch for many years. Rest in Peace my friend, and I can only imagine the reunion when you and Floyd met in Heaven. You two loved each other so much and it glowed all around you and onto those who came in contact with you. You will be missed my special friend!!!
