“ *What a special lady she was, worked so hard and a good Christian lady. I could not get to the viewing because of illness, Susie you have been a trooper, took such good care of her. We think we can't do without our Mothers, but when we know they are in their heavenly home, it is a comfort, God be with all of you and give you comfort, God Bless.*

“ *Dorothy always seemed like an extended family member to me because of my brother, her grandson Bob. Not someone I knew well but yet knew of her since I was 11 years old. I know she was very loved by her children and grandchildren. While I know from everything I heard recently, she was ready, I shed a tear because I know people close to me have lost someone they cared deeply for. My condolences to all the family, Cindy Webb*
