“ Dear Chris and Tracey,
Your mother and brother were very special people. I enjoyed working with Dottie during our years together at FCV. And it was always great to see Scotty when he was a student there and how he tried his hardest. We are never ready to lose our beloved family members, but I know that Dottie and Scotty are now safe in the presence of God. May He continue to help you find comfort, and continue to heal your dad, Otis. I am sorry that I cannot attend on Sunday, but you will be in my thoughts and prayers.
