*I was sad here this news about Doug and I didn't realize it until just recently.
I first met Doug in the summer of 1992 when he and I served on the same Summer Go Mission Team of DOOR. It was a joy to serve with Doug that summer. He had a heart for wanting to share the Gospel with the deaf. Looking forward to seeing you again my dear brother in Glory!*

“ I have spent a couple of summers (Spring time as well) in Indianapolis in my teen years and I have had the pleasure of spending time and knowing Doug. I am sad to learn of his passing and his entire family is in my thought and prayer. We know he is now in a better place than what is offered on the earth.

“ Dear Doug’s family, my deepest condolences to your family.

Douglas will be remembered as a great and cool guy! He has been in my class for four years and would stand up to do something if something is wrong. He is a strong-willed man I can remember! 🙏

I lighted a blue candle in honor for his passion with the Dallas cowboys.
