“ John,

You will be greatly missed. You molded me into the person I am today. The selfless giving of your time to tutor me from the state of Indiana, over the phone, for countless hours, will never be forgotten. I can't ever repay you, but know that I can and do pay it forward. The World was lucky to have you and you inspired us all. Love Bernie

“ *Too many amazing memories to share about Dad and our Opa. However, the most impactful and most important is his legacy of faith in Jesus - it will carry for generations. It guided all he did, how he treated others, how he loved, and how he served. We are forever grateful. We love you so very much Opa and will absolutely see you again one day. God is good all the time. ❤️*
