“ *My deepest condolences to the family of Dustin.*

I knew Dustin for only about 2 months while we worked together at the Woodhouse but we immediately clicked because we were

brother/sister in service. He seemed to have a such huge gentle presence and a way of making you feel protected without saying a word. Dustin always had a way of being so witty and would end his jokes off with a half smile as if he knew the other person didn't see it coming. You will be missed Dustin!

“ Carol and family. we only had the pleasure of meeting Dustin once, but he was the very same outstanding young man that you told us he was. You could tell by his demeanor that he was a leader, a warrior and a gentleman. No matter where he was he kept his grandmother in his heart.

“ *My most memorable moment was during one of the family summer cookouts, everyone sitting under the tent at night, sharing good food, good music, and laughs. Dustin was the life of the party and made sure everyone was having a good time. My brother, you will be thoroughly missed, but I will keep you in my heart forever. Rest in heaven.*

“ *My favorite memory of Dustin is when he and were BBQ'ing some super special hamburgers my wife made for us to enjoy. We were joking around and talking... and when I decided to check the burgers, they were burnt beef crisps. I knew my wife would be capital P pissed, so Dustin fixed one of those crusty burgers and walked in eating it like it was the best thing in the world. She was still pissed, but we laughed then and every time we got together about those jerky burgers. I pray you have found the peace you deserve brother.*
