“ Omg 🙏🙏🙏 This was my roommate and one of my best friends when we got back from Iraq in 2003 in 1/36INF Germany. Boy I wish I could get in contact with his family cause I could share some great stories. Dustin was a great dude and would give the shirt off your back atleast when I knew him. He was older than me so he was kinda like a bigger brother to me at the time. I cant believe this. I'm so shocked in tears. I fought beside this dude, slept beside this dude, and ate with this dude daily. A reall good one is gone. RIP Dustin I wont ever forget our weekly Frankfurt trips to see the thailand girls we dated. Such great memories!!!! Here is my number if the family would ever want to contact me and talk about Dustin, I would love too. 7244986547 SGT Garen Huddy
