“ Have years of memories of Earl since the 1950's when his sister, Charlene Marie "Penny" Matlock, and my brother, Emmanuell Lee Ingersoll, were high school sweethearts, married, and invited Earl, his brother Jim, and two sisters Pauline and Jane to come share our home. Therefore, two families were joined to travel on a journey that now Earl, like others, has completed to be with Jesus, while others continue the journey sharing memories and love until we're all united in Heaven.
