“ I have been thinking of Ed all week. He was such a beautiful person, and his departure leaves a hole in our lives.

“ One of Edward's favorite hymns was "The King Is Coming" . He loved to sing the hymns. He had a large print Bible that he was very familiar with. He would most always have his Sunday School book open to the right page and his Bible open to the right scripture at church. He had a wonderful personality and was very cooperative when staff assisted him. He will be sorely missed but, hopefully, he is in a better place.
