Tribute Wall

“ *My dad passed when I was five so when you're eight and nine years old and growing up you remember men who took the time to pay attention to you. Men who would be that example of what a good man is and what you as a young man should strive for. I was lucky to have such men in my life and Eddie was certainly one of them. Eddie was a good man, husband and father. He will be missed by many and all who knew him.*

*Love ya,
Bob*
