“ To the Wildrick Family,
As you know your parents were loved and admired by all who new them, we are all fortunate they were part of our village who helped raise so many of us, I am grateful and honored to say I had learned from them so many things and I have passed those life learnings on to my kids so we know they will live on in all of us.
Our hearts and prayers go out to all of you and hope you can find comfort in knowing how much they were loved by all of us.

The Perkins family.
