“ Aunt Eileen was always so kind and loving toward everyone and that was one reason she was so loved by everyone who knew her. I know that she valued spending time with her children and grandchildren and she attended all the events they were involved in (i.e., going to a Cincinnati Reds baseball game just to spend time with Anita!) It broke my heart when she started to suffer from dementia. In lieu of flowers, I am making a donation to the Alzheimer's Association on behalf of Eileen Stephenson, a sweet woman we all will miss.
