“ *Elaine Eder inspired me to follow in her footsteps, and I became a registered nurse in 1962. I was two years younger and looked to her as a role model.*

Today as I am writing my obituary, I wondered what happened to her. So here I am, writing a tribute to a wonderful young woman I admired. I worked as a nurse for many years and have countless warm memories and, of course, a few tears along the way.

*Loved the picture - a beautiful family, Elaine.
My sincere condolences to her family and friends.*
