“ I worked with Elaine for twenty years and know her as a person who enjoyed the people that came in and out of the shipping office. She became a friend to all of the regular truck drivers and would hear about their problems and laugh at their jokes. She looked forward to Halloween and would always come into work wearing a costume that she had put together for the occasion. I don't miss all of the work that we did-- but I miss her. So pop open a Mountain Dew Elaine and take a sip for me.

Love to all Steve B
