“ *Many fond memories of Frieda. I have known her since the early '80s. We worked at Fort Harrison at the same time. Have many memories of her going the extra mile to ensure contracts covering many different facets of Fort Ben Harrison were negotiated efficiently. Personally, Frieda and I bowled together for many years, vacationed several times and attended tea events together. Frieda was a true friend and Christian lady who brought out the best in everyone. Frieda will be missed! I was very fortunate to have visited her last month.*
