“ *I have so many fond memories of Liz from my childhood. She always took such good care of me and included me as if I was her "own" child. Kind, considerate, funny, an amazing cook. Coincidentally one of my fondest memories is of Liz and my mom and Tena and I and Aaron going trick or treating in the nearby subdivision they drove us too since we lived out in the country and there weren't many homes around. They would follow a few feet behind us as we walked up to each house gabbing and laughing along the way. She is truly a special lady and going to be very much missed. My deepest condolences to the entire Hampton Family. Sincerely, Kami Weaver*
