“ Aunt Kathleen is a favorite memory. The sparkle in her eyes, the lively kindness, genuine interest in others and quick mind are some of my fondest recollections. She has become a part of all who had the privilege of knowing her.

*When I got married over 40 years ago Kathleen hosted a wedding shower for me. She was related only in that she was married to my dad's first cousin, Russ, so she had no obligation to do so but yet she chose to. It was so nice and I was happy to show off my family to my new in-laws. The shower was classy, yet unpretentious and fun! When I attended her funeral service I thought it was also classy and unpretentious. (Dennis did a wonderful job.) Afterward the dinner at Jockamos was just fun! In reflection those 3 words kind of signified her life; Classy, Unpretentious, and FUN! I will always remember her snappy eyes and instant smile :) I enjoy seeing those qualities reflected in her daughters.*
