“ To a wonderful Woman and a second Mother to me, from the very first time Pam introduced us, you and the entire family welcomed me with opened arms. When I look back at different memories in the hot tub, staying all night on Leland , going out for Christmas with the family at New Orleans House. Your servant heart and your ability to make people laugh was a true gift. Thank you for the love and kindness straight from your heart. May God keep you and hold you until we all meet again. To Steve,Pam, Tina Robin, Gill, Timothy, Michael... You all will be in my heart and prayers . Love you tons  
God Bless

“ Even though I only knew Ellen for a short while, she treated me with much love, kindness and acceptance. She became like a second mom to me. One of my fondest memories of her is when she and I walked from Pam's apartment in New Palestine to the Gas America. She said she was thirsty and I offered to walk over and get her something to drink. She said she wanted to walk with me but warned me she didn't walk very fast. I told her that was ok -- we weren't trying to set any land speed records. That made her smile. So off we went hand in hand. It took more time than usual to get there and back but I wouldn't trade one single moment.

“ I love you, Mom. You were a wonderful Mom to your two girls. I know they were your trophies as I heard you once refer to them. I have never met any Mom who worked so hard, she deserved the best and in the end, I believe she had it. I am honored to have known you and thank you for all of the funny moments we all shared together. You will forever be in my heart. RIH Mom, I know that is where you are now.
