“ *What a beautiful service for Elsie. Bless all of you as you grieve for Elsie as she passes from her faithful and special life here on earth to be with Our Father in heaven and her loved ones that have gone before her. She had so many wonderful gifts and talents that she shared so graciously with others. I will always be grateful for all of the sweet and thoughtful things she and Luis did for Mike and I as we joined together in matrimony. May it comfort you to know that you will be with her again one day and may your sweet and loving memories, of her and with her, sustain you until that time comes. Mike and I love you Michelle, Grandma Lola and Luis and you and your loved ones and entire family are in our thoughts and prayers during this difficult time. Peace. Love and blessings to each of you. We would love to see you once it is safe to do so. Until then, we are sending virtual hugs and love and prayers.* ❤️🙏❤️🙏❤️🙏
