I'm really sorry to hear about Emily's passing I have met her sometime back in 2017 and I had known of her through some other people beforehand and she had shared in conversation some I thoughts and goals for the future and I'm really sad to learn that that has been interrupted and pray for the surviving family and I hope that everyone can miss pastest tragic time she she shared how much that her family meant to her and I'm sure that you all know that but she loves you so much

“ *I was cleaning the Bean families swimming pool when all of a sudden it seemed like 20 dogs (7) actually came running towards the pool barking and yapping.. So in I went.. Walking out of the back door where the dogs had come from came a very beautiful young lady clad in a two piece bathing suit...she was laughing as she dove in the pool and then popped up right next to me. Still laughing said "Hi I'm Emily" That was 2007 and our friendship has grown to family status through the years and I am at a loss to why this has become reality but I love and miss you Emily Bean so very much...IBD babe!*
