“ Eric was the best friend ever - always giving and never asking. I enjoyed being the third-wheel and spending time with Tom Lindsey and him in college. Just this week, however random and strange - I was recalling his grasp of the timing of the stoplights down Michigan Street at night - he never had to apply the brake. I also recall fond memories of our two families on a bicycle ride through the country in Danville. Eric was in my wedding 26 years ago and walked my Mom down the aisle prior to the ceremony. I'm very sad we mostly lost touch over the years and only communicated via Linked In. I send lots of love to classmate Brian, friend of the family Amy, Margo and the entire family.

“ Eric was a wonderful colleague at Teradata. He was part of my extended team for many years and I am so blessed to have been able to work with Eric. He was always excited and proud of his family, supportive of his team members, upbeat about life, smiling and laughing. For Eric's family, please know that you are in my prayers and you have my deepest sympathy.
