“ Jake,

So sorry to hear of your Grandpa's passing. Surround yourself with family and friends, and may the sharing of memories and lots of hugs help you through this difficult time. It is sad to lose a grandparent, someone you have always looked up to, someone who had the perfect advice and so much more. It's ok to be sad and miss him. Share all your emotions.

Family, let all the lives he touched remind you what a wonderful man he was to all that knew him. Remember all those memories and life lessons that he created and instilled in you that will help you now get through this difficult time.

“ *Always enjoyed my times with Uncle Pete especially as a young girl when we all went camping. He and Jean were always so good to me and let me poke in their fire when my Grandma wouldn't. He and my Grandpa used to tell the best stories of their farm in Farmer's Retreat. Uncle Pete and I had a special connection because we both worked in education and he was always interested in what I was doing with my teaching career. I have no doubt he is in heaven telling stories with my Grandpa and Uncle Ralph.*

“ I always had fond memories of him, and always respected Pete while employed at MSD Wash. Twp schools. Way back in the 1970's. At that time he was the Business Manager and I was the Director of Data Processing. We had a good working relationship and I enjoyed his sense of humor too. And his guidance was always welcome.

Long after I departed the school system we ran into each other downtown and had lunch together, and got caught up on each others lives. It was so great seeing him again.

I'm so sorry to hear of his passing and my condolences to the family. RIP Pete.

“ *A special friend, colleague and advisor to me and so many others over the past years in school business management. His counsel was always "spot on" with the issues confronting those in school administration. I personally so valued Pete as a friend and Christian gentleman. Our work and fellowship together in ESC in the last years was one of great memories.*
