“ Gene was a friend from my Jenn-Air days in Indianapolis. Known as a loving father, we used to enjoy visiting him at his sons' football games when they were kids. After moving to TN, we would sometimes be able to catch up with him on our trips home to Indiana; he will be missed.

“ *The up most awesome father-in-law in the world that most people would die for has left us in grief. I will ever be in his debt to give me my wife's hand in marriage who is the most wonderful wife in the world. But just knowing him and how interacted with a lot of people on a day basics. Their is no words that can explain what he meant to me in my life. I own him more then I can ever give him, but to just love him for who he was. He didn't replace my father that passed away but made the comfort much better. You will always be in our hearts and payers.*

“ Uncle Eugene was so special to us! He was always smiling! We could always plan on him every year to show up at the St. Joseph Orphans Picnic and meet at the big tree. He loved to go eat dinner at Kingfish, and always booked his room at the Zorn Ave. Ramada Inn. He usually racked up at the picnic, winning hams, fruit baskets, candy, cakes, and always tried to win a quilt, but I don't think he ever won that. We are going to miss you so much Uncle Eugene! You were truly one of the most kind, gentle, big hearted, loving people in our family. The picnic will never be the same without you!

Love,
Stanley, Sheri, and Family
