“ *Eula B We took soooo many breaks together through the years of working together at the PO. I have several memories of all our conversations. Kids, grankids. work and so on. But my favorite is we were just going to break on night and the radio was on really loud on the dock. Reba was singing -- Good as I was to you-- I remember watching you standing there on the dock All of a sudden singin every word right along with Reba :-) I had never heard the song before, but after that night every time it came on the radio I would flash back and my heart would smile remembering you singing with reba and of course you knew Every word :-) Smiling and singing on a beautiful summer night, happy. :-) see you again soon-Deb Tanner*

“ *I feel very privileged to have been Eula's friend. She was a wonderful ,kind, loving person who enjoyed talking about her grandkids and daughters.We had fun setting beside each other and just laugh when one of our other co-workers would call her U la la la and then pat the top of her hair down. Brandy and Kim stay strong and be there for each other.I'm so very sad to have loss one of my dear friends, but it comforts me to know she no longer suffers.I will always remember her and forever miss her.
