“ Sometimes there are no words to describe a very special lady, Grandma was that special lady. Although, she was my grandma by marriage she will always be "My Grandma!" She did so many wonderful things for my family that can never be replaced or taken away. My children have a special place in her heart, as they do for her. I will love grandma and remember all the special things that made her special to me. I'm so glad you're with God now. To all her children and family my prayers are with you all. Grandma is with God now, but her memories will go with us each day. I Love you all!

“ Mom and Aunt Anna, I am sorry that I can't be there physically but I am with you both in my heart and soul. I love you both and my continued thoughts and prayers for you to find your strength in one another and in God to get through this difficult time. Let God be your healer, "Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand." Isaiah 41:10 Grandma, I love you and you will be dearly missed, watch over your family and friends while we wait to see you again in heaven. Glorify and worship our Lord!
