

## Florence Pritz

September 14, 1919 - November 5, 2014

Florence Etnire Pritz was born September 14, 1919 in Logansport, Indiana. She was baptized as an infant and confirmed in 1932 at St. Luke's (now Trinity) Lutheran Church in Logansport. She was married to Roland K. Pritz on June 25, 1944. They had three children, Gregory B. Pritz, Jana L. Stoltenberg, and Evan S. Pritz, and seven grandchildren.

She and her husband lived in Dayton, Ohio while he was in the service during World War II. They lived in Bloomington, Indiana for four years and then moved to Indianapolis in 1949.

Florence taught Sunday School at St. Peter's Lutheran Church for 18 years and Church School at the Indiana School for the Deaf for 23 years. She also helped with Lutheran Braille Workers at St. John from 2000-2007. She loved to welcome people into her home and shower them with hospitality. Many happy memories were created around her dining room table enjoying meals she lovingly prepared. She was an avid painter, and led a painting class at St. John beginning in 2007. The class relocated to the nursing home where Florence became a resident in 2011, and she continued leading the class until recently.

Florence's life put the exclamation point on "God is good!" She had a full life at 95 years of age, but a better measure of "full" is how she used her years. Her

example had a lot to do with the faith in Jesus Christ that her three children now have. Her legacy of faith currently extends to three generations and a family of more than twenty people, all of whom know Jesus as their Savior and Lord. In her simple, humble way, she showed the love of Jesus to everyone she happened to meet in life—her family was the tip of the iceberg in terms of her impact for God's kingdom.

Her family is so thankful that God watched over her and allowed her to be comfortable in her final days. They are rejoicing that a wonderful welcoming committee has ushered her into the presence of her Lord, and she is experiencing great joy in her new, permanent home.
