“ So sorry to have heard of the passing of Frank Brady. RIP.

Sending our deepest sympathies and condolences to the Brady Family, relatives and friends on the passing of Frank, RIP.

I had the pleasure of meeting Frank over the Easter holidays back in 2004, when I traveled over to Indy, with my father Peter William and my uncle Patrick Joseph, as well as my mother Wendy and cousin Una Murray.

We had a great time when we stayed with Bill and Mary Jane, and were taken all around Indy and got to meet Frank and many of the extended Brady family. Frank has kept in touch with my father and uncle up until recently.

It's interesting to read that Frank was a member of the Ancient Order of Hibernians, Kevin Barry Division.

I moved from Dublin with my wife and kids a few years ago to West Cork, and a mile from where we live is the site of the Kilmichael Ambush.

A famous action carried out by Kevin Barry and the West Cork flying column. It took place during the Irish War of Independence, 100 years ago this coming November.

“ Uncle Frank was always a kind and friendly man. During my high school years in seminary when I came home for summer break he arranged a job for me at Bates Brothers where he worked. My first experience of going to work and I have always appreciated him for helping me then. May he Rest In Peace and blessings of Easter hope and peace for his family.

Uncle Frank always had time to talk and catch up when I bought supplies at Bates. Always a joy to unexpectedly run into him...
