“ We have lost another member of "The Greatest Generation." What a wonderful man Frank was and such an asset to all that were fortunate enough to have known him. My sincere condolence to his family.

“ We knew Frank beginning in 1985 when we joined Roberts Park UMC. He and Mary were always so involved in the work of the church. Frank was especially instrumental in the restoration of RPUMC in 1995-96. His ideas and execution of those ideas contributed to the structural integrity and longevity of the building. We have missed him deeply in the past few years and now mourn the loss of a good Christian man. Please know that we will continue to pray for your family as you say farewell to him. God bless you and yours.
