“ FYI Dr. Bender managed my hip pain with well placed injections. He came to Jacksonville, IL to treat patients too. I understand that a scholarship is being set up by his family at the medical college in Milwaukee, WI. I am all for education of such incredible specialists as Dr. Bender and I totally embrace and support helping more excellent trained doctors as a memorial to Dr. B.

“ Saddened to hear of the passing of Dr. Bender. He liked to tell stories and jokes while working on his patients to distract from any discomfort of the procedure. What a thoughtful man. Glad to have known him for just the short amount of time that I was his patient. Condolences to his family, friends and colleagues as I'm sure they miss him dearly.

*I was very saddened to learn of Dr. Bender's passing. I had only been a patient of his for about 4 years; however, I deeply respected him and appreciated how kind, caring and funny he was. Out of 3 doctors i saw to do a procedure on my back to keep me out of pain, Dr. Bender was the only doctor who could get the needle and meds in the area where I needed. I relied on Dr. Bender to help keep me comfortable and he humbly delivered every time. Doctor also led me through the procedure to keep me informed and distracted from the procedure. I will greatly miss his humor and expertise in the years to come. Dr. Bender is a hard person/doctor to replace. My sincere condolences to his wife and family, his sisters and brother, as well as his colleagues and staff at OCI.*

“ Frank and I had been friends since middle school. We ran track together in middle school, HS and college at UW-Whitewater.

We have lost contact somewhat over the years but texted on occasion to catch up on things. We also talked during recent years at our HS reunions.

I have always considered Frank to be a great friend over the years and I will miss him greatly! I think of the many great times we've had over the 50+ years of friendship.

My thoughts and prayers are with Franks sisters and his brother at this time. I know that Frank has found peace and we will see each other again some day.
