“ *In the 1960s, Frank Giganti was a colleague, friend, athlete, and an all-around great guy at Akron North High School. He was well liked and competitive. During our high school and college years, we had fun chasing trophies, and I'm going to miss him. I am very sorry for the family's loss.*

“Brenda, you were a vision therapist to my kids, Nathan and Megan Langford. I have thought of you often and so appreciated the care you gave them. I'm so very, very sorry for your loss. Know that we will be thinking of and praying for you often as you navigate the loss of your loving husband, Frank. I know my father-in-law appreciated working with/for him several years ago. Remember Romans 8:26 "Likewise the Spirit helps us in our weakness. For we do not know what to pray for as we ought, but the Spirit Himself intercedes for us with groanings too deep for words." When all you can do is groan in your grief, know that God hears you and loves you.
Sincerely, Cara Langford

“To Frank's Family,

Frank and I grew up together on North Hill, living about one block apart. We went to different schools, but I knew him well from the neighborhood and remember him as a gifted athlete, but more importantly as just a very nice person - the kind of person you'd want as your friend. I am so sorry to learn of his passing, and wish my most sincere condolences to you, his family.

“ To Brenda, Todd, Mark, and family,

I am deeply saddened by the passing of Frankie. I have fond memories of us growing up together on Akron's North Hill since we lived across the street from each other. You could always find us playing ball in the street, front yard, or in the vacant lot behind my home. Frankie said to me not long ago, " yes, Anthony, we did play a lot baseball together, didn't we ". i pray that your memories of Frank will comfort you during this difficult time. A donation in Frankie's memory will be sent to Blessed Trinity Food Pantry.

“ I met Frank while he was a teacher at North High School (Akron, Ohio) and I was working in a program serving disadvantaged students throughout the school district. He was always open and friendly and helped me find my way as I was new to my job. Some years later I purchased a new car from Frank after he made his career shift. Frank was a fine example of the many good people rooted in North Hill. Happy to see that his life went so well after relocating to Indiana. I am sincerely sorry for the loss to his family and friends of such a fine man.

“ I am truly saddened for the loss of Frank. I always looked up to Frank, as a kid on North Hill, and thought of him as one of my heroes. I’m glad we got to coach football together and teach at our alma mater, North High School. Prayers to Brenda and all the Giganti family.

Sorry To Hear of the Passing of Frankie, We Played Baseball Together in 1957 Class G in North Hill. Frankie was the fastest Pitcher in the League. In Fact Frankie Hit Me in the Head with one of his fast balls, split my head gear in half, I was knocked out for 5 minutes. At the North High reunion we talked and Laughed about our baseball days. Rest in peace Frankie.

*What sad, sad news. Frank was a great guy--he was thoughtful, kind, funny and personable. He had a solid sense of doing what was right. We had some really good times on North Hill, especially playing baseball in the Kiwanis League, and playing catch in front of his house on Zeller Ave. Later, it was fun teaching with him at North High School in Akron.
My condolences and deepest sympathy to Brenda and all of Frank's family members.*

Sad news. Growing up on "the hill" Frank was a mentor to all of us that played football for the North Vikings. He was a gentle giant and a class act. He will be missed. Prayers to his family.

So sorry to hear this sad news. I had such respect and admiration for Frank. We were teammates and played next to each other on the line at North High. I had a lot of great memories of our time together at North High.

Frank was the epitomy of a North Hill athlete. Never heard him brag or talk down to anyone. He always let his actions speak for him. He was the best. He will always be fondly remembered.

Boy could he play! My condolences to Brenda and family for this great loss

It is with great sadness that I write this note in memory of my good friend Frank (aka "Gigi"). He was a great husband, father and friend to Brenda, Mark, Todd and family. Always proud, happy and in love with his family.

My memories will be that he was always full of life, happy, trusted, loyal and there if you needed him. We had many great times together but probably none as special as last September when John Montisano, Denny Woods and I visited with him.

To Brenda, Mark and Todd,

At a time like this there are no words that can take away the pain but just know that each of you meant everything to him. Please try to remember all the good.

I to will miss him greatly.

May he rest in peace

So sorry to hear of Frank's passing. Was a Sigma Chi fraternity brother of Franks at BGSU in the mid 60's. Though we never kept in touch after graduation, it's always sad to hear of the death of a "Brother" "In Hoc" Frank Jim Shriner
