“ *Uncle Frank was one of the kindest, gentlest men that I've ever met in my entire life. I got to visit with Aunt Juanita and him once with my (then) husband for a family event. They made us feel special and right at home. I, like my sister, especially remember that whenever he and the family came down, he would take all of the "kids" to ride the ferry. It was exciting and so much fun. My prayers are with you, Jim, Barb, Dale and Penny and all of the grandchildren he leaves behind. May you find strength in the Lord and in the knowledge that Uncle Frank's was a life well-lived. I wish we had lived closer and could have seen you more often. There is a heart-shaped vacuum in our hearts today because we have lost a wonderful man who loved his family and made all of us feel special, even when we were just little kids.*

“ Uncle Frank's family,
So sorry to hear of his passing. I wish I had visited him more through the years and did not have regrets. My favorite memory and I share it often with almost everyone who visits Hickman! I tell them how they should ride on the ferry. I told them how my Uncle Frank when he visited my grandmother in Hickman would take his nieces and nephews across the river on the ferry. We stayed on the other side in Missouri, played in the sand and rode it back over to Kentucky. Also his family came the 4th of July to mom's one year and of course we had to have a softball game in the front yard. We were all very competitive. I love Uncle Frank, your families and will miss him so much, Aunt Juanita, and Gary. May God strengthen your families and comfort you through this difficult time is my prayers. Love, Jodi Roberts Kirk and family

“ Bonnie and I send our sincere condolences to Dale & Penny and the Toon Family. Frank always treated everyone with respect, one of his most admirable traits. I know from my Brothers and Friends that he was very active in Sports as well as sponsoring sports teams. A successful Business Man, and a pillar in the community. He will be missed, but, having leaving so many great memories, impossible to forget. RIP Frank.
