“ Fred and Ellie were my neighbors in Cumberland Cove from 1996 - 2003. They were like parents to me. Fred would always help me if I needed anything. He fixed my storm door when a large deer crashed into it and ran into the house and out the back door. I also remember Fred going after the geese with his sling shot and large marbles. He hated those birds and cracked me up going after them. Dinner was expected on the table at 5:00 and no left overs. I told him he would starve if he lived at my house. Fred and Ellie were the best neighbors I ever had. They loved both my dogs, Sarge and Max. I last saw them in 2019. It must have been not long before Ellie past. I didn't know what happened to them. I noticed the outside of their home looked different and that they were not living there anymore. I wrote two letters to the address, hoping they would be forwarded to them. I heard nothing. Rest in peace together. I loved them very very much. Condolences to the family.

Sincerely,
