“ Fred was from one of the last generations of patriotism, hard work, and family first. Like my own father, he had strong opinions and didn't mind sharing them in his commanding way. Whether we liked to admit it or not, they were right about so much and truly had our best interests in mind. He was a proud man, with a big heart and he adored his wonderful wife and their large family. He will be missed by so many, and that is the best tribute to his life. I will keep all of you in my prayers, and hope you find comfort knowing he is resting in peace.
