“ At the age of 8 or 9 at Grandma Ellendale's was over and Uncle Gabe for my birthday gave me like 10 dollars. He had not seen me in like a long time because of being on the mission field at that time. I grew up hearing stories of all the great things He was doing. And in my late teens and early 20's really helped me work out my theology and doctrine verse dogmatic views the differences. His statement to me was He did not have issues with facial hair if it was taken care of. That was progressive for our faith circle Lol.

I'm so sad for the passing of Gabe. He and Sharon were great friends. Even tho we hadn't seen each other in awhile. We all use to go to each other's homes before or after Tuesday morning prayer meetings. Gabe showed me how to cook refried beans. I make the best 😊 and he also made the best breakfast burrito, before they ever became popular in the stores. He will be missed 😞 go rest in high on that mountain Brother Cruz, you have certainly run through the race and finished your course. Keith and I are sending prayers of peace, love and comfort to Sharon and the family. We love you all ❤️🙏
