“ I will always miss you dad. I am grateful for the time we had with you. You will always be with me. I simply couldn't ask for a better father. You made me the man I am today and one day, I will join you, mom and Little Gary in heaven. From the bottom of my heart, I love you and always will.

Your Son and best friend,  
Gary

“ I will always remember his sense of humor and how much he enjoyed playing tricks on others. I will never forget him dressing up on Halloween and sitting on the chair on the front porch like a prop then jumping up and scaring the kids. He is at peace now and free from pain. May the good memories you have of him live on and know that we are here for you. Love you guys
