“*Dad I don't know what I am supposed to do without you. I miss you so much! You were the best dad ever and I will always remember all the wonderful times we had through the years as I was growing up. The family vacations, fishing trips, and playing cards were all things that were more fun because I got to share those experiences with you. You were always there for me and so supportive. I will always cherish every minute of all the time I was blessed to share with you. My heart is broken and I will always and forever miss you and love you. Be at peace now dad*□

“ I'm so sorry for your loss. Thinking of the entire family during this difficult time. George was always happy spending time with his granddaughters, Emily & Katie. I remember when he surprised Katie by arriving wearing a Halloween mask. George and Katie laughed themselves silly about it.

“ You were the best grandpa ever. I hate that I can't call you anymore and ask what you're up to. You gave the best hugs and had the best laugh. I miss playing cards with you already. I love you so much and will forever. Rest easy, Grandpa❤️
