“ George was a man full of personality and optimism. His love for Ann and their children and grandchildren was obvious. Ann and family, may you feel the love of those around you at this time.

“ I will always remember when George had just met Ann and we were all at IU. He said he was going to marry that girl someday! Tom and I are so sorry to hear about his passing but what a great note to realize that you were together for over 45 years, like us.

“ George was such a caring soul. When our family with young kiddos would come into the office he always welcomed them with a huge smile and would tell them to go to his office and find a treat! The kids loved it! He is missed.

“ *Loved George and his family. Trips to the Outer Banks and Klinger Lake were fun filled and memorable for all, but especially our kids who were close in age. He was a great man of faith & lived by example. Well done good and faithful servant. Until we meet again...*

“ *George was always a caring soul who loved his family. I still remember an overnight scouting trip when it was damp and cold, and his primary concern was not that he was getting all wet, but for his son to stay dry! May you rest in peace George! Steve Zinkan*
