“ *Sad that George passed. He put up a good fight. George sat at our lunch and dinner tables for quite a while . We played Mexican Trains with him. We and others met George and Jerry as they drove their power chairs out to the brick walk. He was a good friend and will be missed. I am sorry I will not be able to safely come today to visit you. I will be there in my heart. Prayers to and for you all. Bill and Joyce Liverett*

“ *George was such a special person and made every day that I worked at the Masonic Home better. His jokes and random poems that he made up were always the right thing to put a smile on everyone's face. He will be greatly missed and remembered.*
