“ *It is with a heavy heart that I read the passing of George. He was one of my first Captains I worked for at Station #6 in the early 70's. He later became a Battalion Chief on the other shift. I learned much from him as I later became a Division Chief on IFD. Although we have not stayed in contact with other over the years, I have always appreciated the lessons learned from his leadership. I hope to make the visitation and express my appreciation for having the Shriners Hospitals as a place to send memorial contributions. I am presently serving in the line of Murat, serving as Captain of the Guard. He played a role in me becoming a Mason. Even at his passing, you are still helping needy children in our hospitals. Thank you so very much.*

Tim Whitaker, IFD Retired, Mason, Scottish Rite and Shriner.
