“ Dear Kathy and family, I cannot find the words to express my feelings right now. George was such a dear friend and support in my life. After my dad passed, George stepped in. He helped me through so many issues and asked nothing in return. He said what he thought, not necessarily what you wanted to hear. But he was honest. I am so sorry I could not make it today, but you are all in my heart and prayers.

“ Kathy, I so enjoyed meeting you and George at Carolyn's house years ago. He and I kept in touch and I was amazed at all he knew. And I appreciated how easily he shared his books and I remember how much he enjoyed jazz and hearing Chels on the radio. I am so glad I got to know him - if only for a moment. You are in my thoughts and prayers.

“ Dear Kathy and family, where do I begin?? I am saddened but grateful that my dear friend is no longer in pain and agony!! George was one of the gruffest, softest, sweetest and dearest friend anyone could ever hope to have!! I could always count on him to raise me up when I was down! He was always good for a compliment and also to tell it like it was!! He is now frolicking in the heavens with all his departed loved ones including our dear Casey!! Between the two of them, they will keep all our angels in line!! I am going to miss our chats, facebook and phone messages!! RIP my dear friend and my sweet Kathy, just know I am a phone call away if you need me!! All my love, Linda and family
