“ Georgia, a wonderful, witty, engaging, joyful, and humble person who was like a second mother to me. One of two people who stood out in my life as an inspiration to live well, to serve God, and to serve others. Her influence lives on through the memories I still enjoy each time I think of her. Thanks for the life you lived!

“ *One of the most affirming and accepting people I've ever known. Made me feel instantly at home. And she made the best sugar cream pie ever! Still have the quilt she gave me. A key person in my life at a God-ordained time. Still think of her, and all the Brown's, often.*
