“ Sure going to miss our get togethers and euchre games and our friendship. You gave it a good fight but God has you in His hands and He will let you have a well deserved pain free rest.

“ Thoughts are with all of you during this hard time. It is never easy to let go. I wish we could be there with you. I know you have lots of memories, good times, and laughs and they will help you through the hard times. He will always be with you.

I have been thinking about the fun we had when all of us would get together. Uncle Doc as some of us called him always liked to have a good time. It was always fun going to Uncle Doc's even if it was for a dental appointment! I remember the masses that were held in the backyard, and especially loading up the blue Volks Wagen with as many people as possible to go get ice cream! 😊 Uncle Doc always enjoyed having house full of family and friends.

Thanks for the memories Uncle Doc!

“ *In 1974 I accepted a job as a dental assistant with Dr. Wilzbacher. My first full time job out of assisting school. What I didn't know then was that I was also being accepted into his family and would be starting on a journey under his guidance that would become my life long career. At that time in my life, I needed someone to take me under his wing and give me the confidence to move forward. I got to know him and his girls and had my heart warmed when he would frequently introduce me as his "oldest daughter". He directed me to move forward from dental assistant to dental hygienist-- and I shared those growing pains with Teri as we ended up graduating from IUSD together. She also became my life-long friend. Through her, Dr. W and I kept in contact - always showing up for each other as he would say, "to marry 'em and bury 'em" as life progressed on through the years.*

He will always be the one I credit for any professional success I ever may have achieved as he was the first one who actively and consistently showed his belief in me. What a mentor he was! I will always be grateful!. To Teri, Susie and Debbie and to Janet, my sincere condolences. I share in your grief but know some day soon, we'll all rejoice together. Sending you all much love... I am sorry to hear of Jerry's death. He was a joy to be around. I know how much he will be missed. Janet has done such a wonderful job in taking care of him in the past few years when his health was declining. God bless both of you.
