“ So sorry to hear she has passed away. Jerri was an avid golfer and I've played many rounds and tournaments with her. I moved away in 2001 and have missed my old friends at Maple Creek. Jerri was always at the course ready to play and eager to join in the many games we played. She was a good friend and a good player. She and Denny were great friends to many of the members, us included. She will be missed.

“ My Aunt Jerri was the best. She spent a lot of time with me as a child & as an adult I loved the game of golf with her. I have some really great memories to store in my heart & will look forward to seeing her in heaven one day.
